

Website Disclaimer

This website is published and owned by GTCFX, a duly licensed financial service provider authorized to conduct business in its regulated jurisdiction. GTCFX is not permitted to offer financial services in a jurisdiction where it lacks proper licensing or authorization. The financial products offered by GTCFX may not be able to be sold in some jurisdictions. You should satisfy yourself that entry into a financial product offered by GTCFX is permissible in your jurisdiction.

The information on this website is of a general nature only. To the extent any advice is provided, it is general advice only and does not take into account your objectives, financial situation, or needs. As of today, there will be new Design and Distribution Obligations imposed on the way we issue and distribute our products. Please contact us or refer to our Target Market Determination for more information. We may not provide products to customers outside of our Target Market.

Before acting on any advice, you should consider the appropriateness of the advice having regard for your objectives, financial situation, and needs, consult your own professional advisors, and obtain a copy of and read the Product Disclosure Statement, Target Market Determination, Financial Services Guide, Client Agreement, and our Privacy Policy before making an investment decision.

Dealing with foreign exchange contracts and our other over-the-counter derivative products carries significant risk. You may lose all of your initial investment, and you may also incur losses that exceed your initial investment.

All documents, including Company policies, Warnings, related documents and Account opening documents available on this website, will be provided in the English language.
